

Dear Madeline,

I hope this email finds you well.

On behalf of Fleming College and its students, I wanted to express my deepest appreciation for the generosity you have shown by supporting Fleming's Academic Awards Program. Recognizing that many students will need financial assistance in their academic journey and committing yourself to help, is what enables students to realize and achieve their educational goals.

I am delighted to share with you the 2022 The Rod Jones Memorial Award for Environmental Conservation student recipient.

Zack Henebry

In addition, please enjoy a short [Video](#) of impact testimonials from various 2022 Fleming student academic award recipients. The power of donor support can truly change lives. Thank you for your ongoing and continued support!

If you have questions or feedback, please do not hesitate to reach out.

Warm regards,
